

INDIAN ROCK PARK

Located on the site of a famous Indian battle, this 35 acre park provides a scenic view of the City and surrounding land. The high bluff and rolling hills offer excellent sledding. Indian Rock Lodge, an enclosed shelter with heat and a fireplace, is available to the public at no cost. Truly an open space park area, Indian Rock includes a picnic shelter, nature trails, a small pond, and a native prairie. With the mixture of history, geology, and natural areas, Indian Rock is Salina's most unique park.
